**THIS BUILDING IS WHEELCHAIR ACCESSIBLE, ANY REQUESTS FOR SIGN LANGUAGE INTERPRETATION OR OTHER SPECIAL SERVICES MUST BE MADE 48 HOURS AHEAD OF MEETING. TO MAKE ARRANGEMENTS, CALL MICHAEL HONEA AT 254-897-1471 OR (TDD) 1-800-RELAY-TX (1-800-735-2989).**

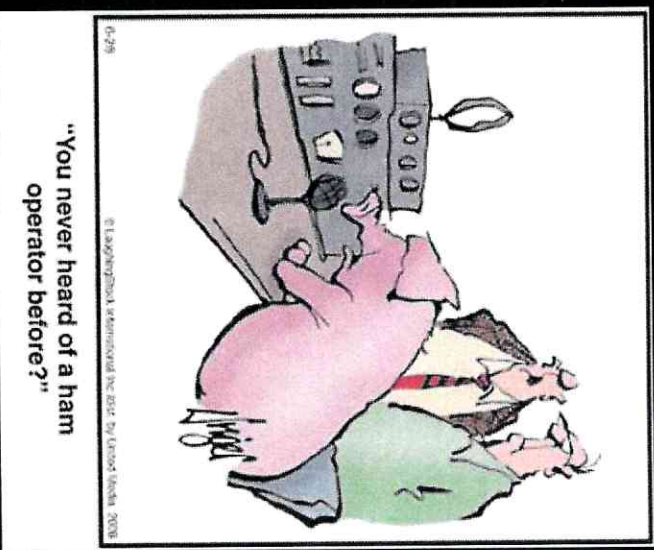

The ARRL Field Day highlights amateur radio's (ham radio's) ability to work reliably under any conditions from almost any location, and create an independent, wireless communications network. One purpose is to demonstrate the communications ability of the amateur radio community in simulated emergency situations.

Staff is highly encouraged to attend at some point during the 24 hour period of operation. This event is for anyone, and everyone to come by to visit, learn, and discover! So bring your friends and family with you. It is a come and go event, no length of time is required.

We will be setup in the grassy area behind the hospital, near the ER parking lot.

**June 24-25**

**1pm-1pm, 24 hours of operation.**

"You never heard of a ham operator before?"
